To Shareholders

Board of Directors

G-TECH Optoelectronics Corporation.

Attachment 1

- I. Relevant information on the issuance of new shares for the cash capital increase via private placement of common shares is as follows:

(i) Issuance Criteria

1. Private placement shares type: Common shares.
2. Number of shares of private placement: No more than 40,000,000 shares.
3. Par value per share: NT\$10 per share.
4. Total private placement amount: The Board of Directors is authorized to determine the total amount based on the actual execution status.

(ii) Basis and Rational for Determination of Private Placement Price

1. The price determination of the common shares of the present private placement shall not be lower than 80% of the higher price of the prices calculated based on the standards described in the following two paragraphs on the price determination date of the Company:

- (1) The simple average closing price of the common shares of the Company either 1, 3 or 5 business days before the price determination date, after adjustment for any distribution of stock dividends, cash dividends or capital reduction; or
- (2) The simple average closing price of the common shares of the Company 30 business days before the price determination date, after adjustment for any distribution of stock dividends, cash dividends, or capital reduction.

However, for the actual price determination date and actual issue price, depending on the condition of the arrangements of specific persons, it is proposed to the shareholder meeting to authorize the Board of Directors to make the determination based on the aforementioned method.

2. For the determination of the actual issue price of the common shares of the present private placement, the operation status, future outlook, restriction on the freedom of transfer of such shares and the most recent stock price condition of the Company are to be considered, as well as the provisions of the “Directions for Public Companies Conducting Private Placements of Securities” and the provisions of current laws and regulations; consequently, the determination of the price shall have a certain rationality.

(iii) Specific Persons Selection Method:

1. The recipients for the present ordinary shares in private placement are limited to the specific persons and strategic investors specified in Article 43-6 of the Securities and Exchange Act and prescribed in Financial Supervisory Commission’s order under Jin-Guan-Zheng-Yi-Fa-Zi No. 1120383220 dated September 12, 2023, and there is no placee already arranged.

2. Necessity: In response to the rapid changes in the global market and to strengthen the company's growth momentum, the proposed introduction of strategic investors through a private placement of common stock will enhance the company's competitiveness and is clearly necessary for long-term business development.
3. Expected Benefits: The introduction of strategic investors will replenish working capital, and through strategic cooperation between the two parties, the company's operational development will be improved.
4. The lists of the insiders or related parties to participate in the private placement, method of choice and objectives, and relationship between the responsive subscribers and the Company.

(iv) Reasons of Necessity for Execution of Private Placement

- Reasons for not adopting public offering method: Based on the consideration of the timeliness, feasibility and issuance cost for the raising of capital and the consideration of the restriction on the freedom of transfer of private placement securities in three years, to ensure the long-term equity relationship between the Company and the placees, the public offering method is not to be adopted but the private placement method is to be adopted for the issuance.
- Limit of Private Placement: Within the limit of 40,000,000 shares, three installments

are to be performed in one year starting from the resolution date of the shareholder meeting.

3. Purpose of capital raised through private placement of each installment and expected benefit to be achieved:

The capital raised through the three installments will be used to increase the working capital and to repay bank loans. The benefits expected to be generated are the strengthening of the financial structure and the saving of interest expenditures, etc., which will have a positive impact on the shareholders' equity.

(v) Rights and Obligations for Present Private Placement of Common Shares

1. For the common shares of the present private placement and subsequent distribution, the rights and obligations thereof are the same as those of the common shares already issued by the Company. However, according to the regulations, the common shares of the present private placement and subsequent distribution, unless in compliance with the provisions of Article 43-8 of the Securities and Exchange Act, such common shares shall not be resold within three years from the delivery date of the common shares of the present private placement.
2. For the common shares of the present private placement and the common shares subsequently distributed, after the period of three years from the delivery date of the common shares of the present private placement, it is proposed to authorize the Board of Directors to file an application and obtain an approval letter complying with the listing standards with TWSE in accordance with the relevant provisions of the "Regulations Governing the Offering and Issuance of Securities by Securities Issuers" and the "Taiwan Stock Exchange Corporation Rules Governing Review of Securities Listings", followed by reporting to the Financial Supervisory Commission for retroactive review of public issuance. In addition, such common shares are to be delivered by book-entry transfer in scripless form for the application of listing and trading.

(vi) The independent directors held no dissenting or qualified opinions.

- (vii) Whether there is any significant change in managerial control one year before the private placement as resolved by the Board of Directors and one year calculated from the date on which the negotiable securities are delivered for private placement, or whether there will be a significant change in managerial control after the introduction of strategic investors through private placement: When the Company assesses the selection of places, the Company will consider and avoid the occurrence of any significant changes to the managerial control in principle.
